## Non-Football Activities

There may be occasions when your child is involved in planned and structured non-football activities such as a trip to the cinema, bowling or participating in a fund raising event. The Club will have collected appropriate information in preparation for the activity (e.g. about the journey, the children's various needs and helper skills), identified any potential risks or dangers, minimised the risks and dangers by careful planning and precautions and made sure we know who is responsible for putting precautions into place (e.g. who will carry the First Aid kit). This process is called a risk assessment.
